The beginning of school brought many new faces to the classrooms—both teaching and learning. The first activities of the year started even before the classrooms opened on September 6 and continued throughout the year.

Our Tigers battled their way to a 2nd place position in the Cascade "A" league. "It's gotta be a first!" commented Captain Jack, referring to the first 5 games which were decided on our home turf. The team then ventured to Langley where they suffered their only league defeat. The season closed in victory at Darrington. The Tigers achieved a 6-1 league record. Overall, Granite Falls' season was a very good one for a team that was believed to rank near the bottom.

Has a Successful Year

The varsity league record was 8 & 2 this year. Their optimism carried them to 1st place in the Cascade North Division, but they were contained by Sultan and settled for second in league. They also tied for 5th at district. The first string J.V. team ended the season with a 12 & 6 record, while the second string J.V. team won 7 and lost 4. Everyone had a lot of fun and next years team is expected to be one of the best.

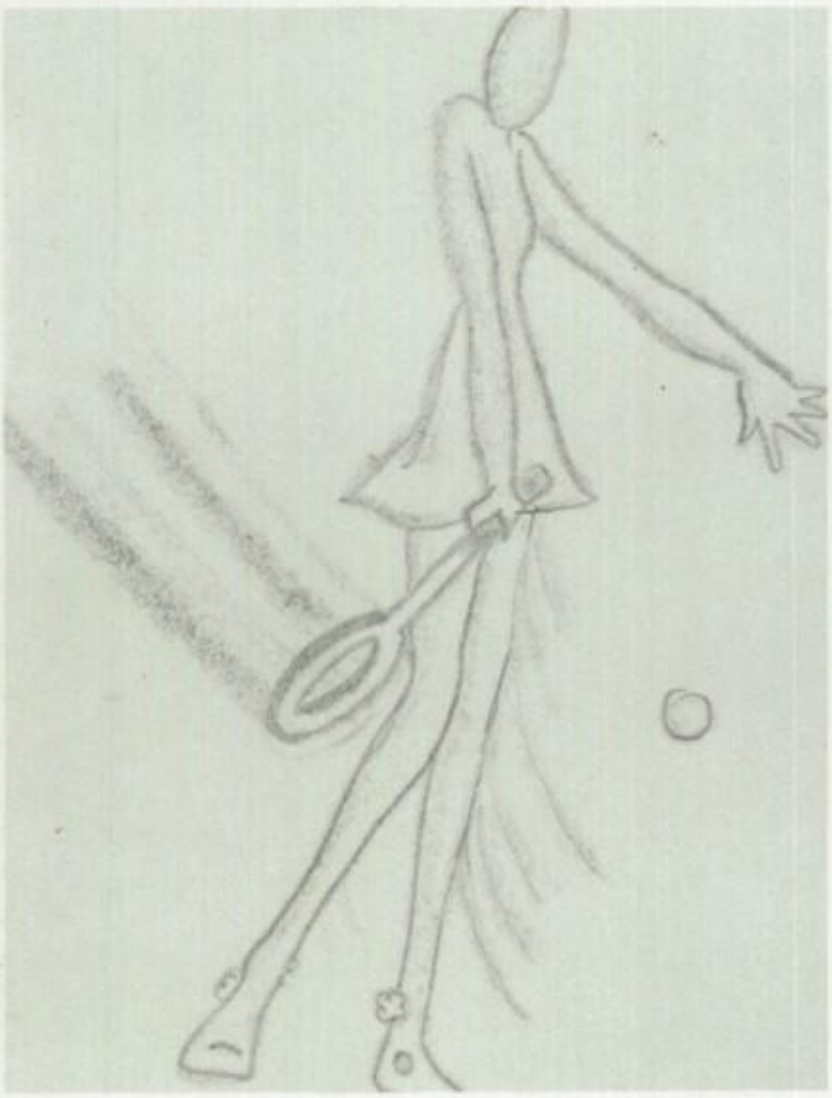
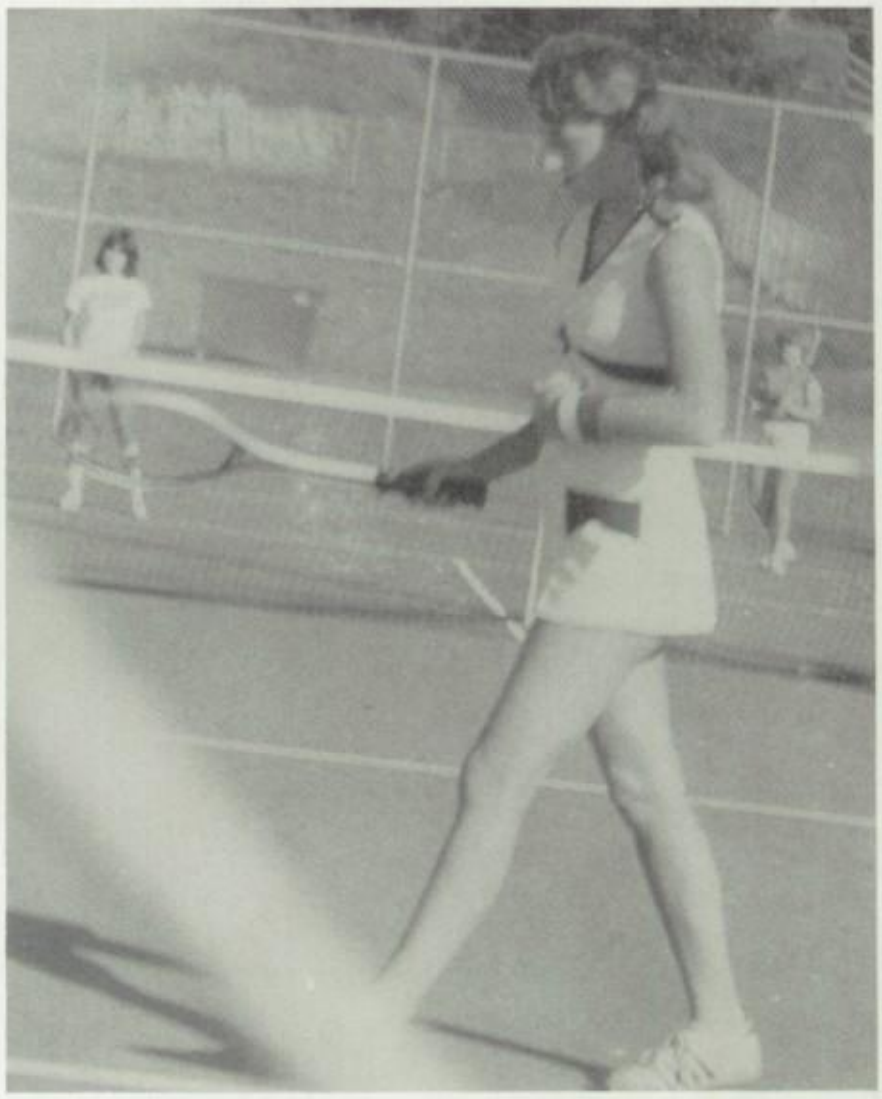
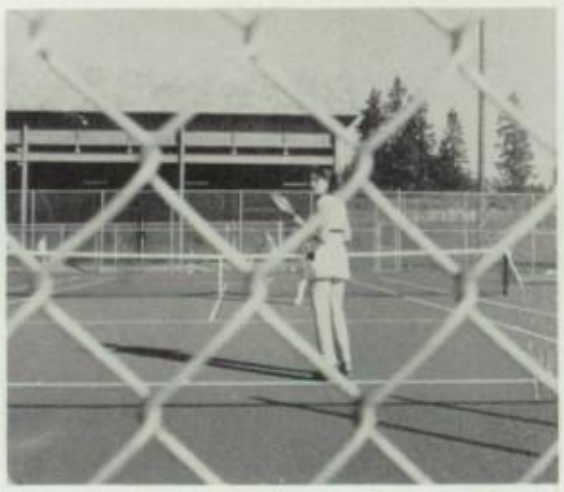
Tennis

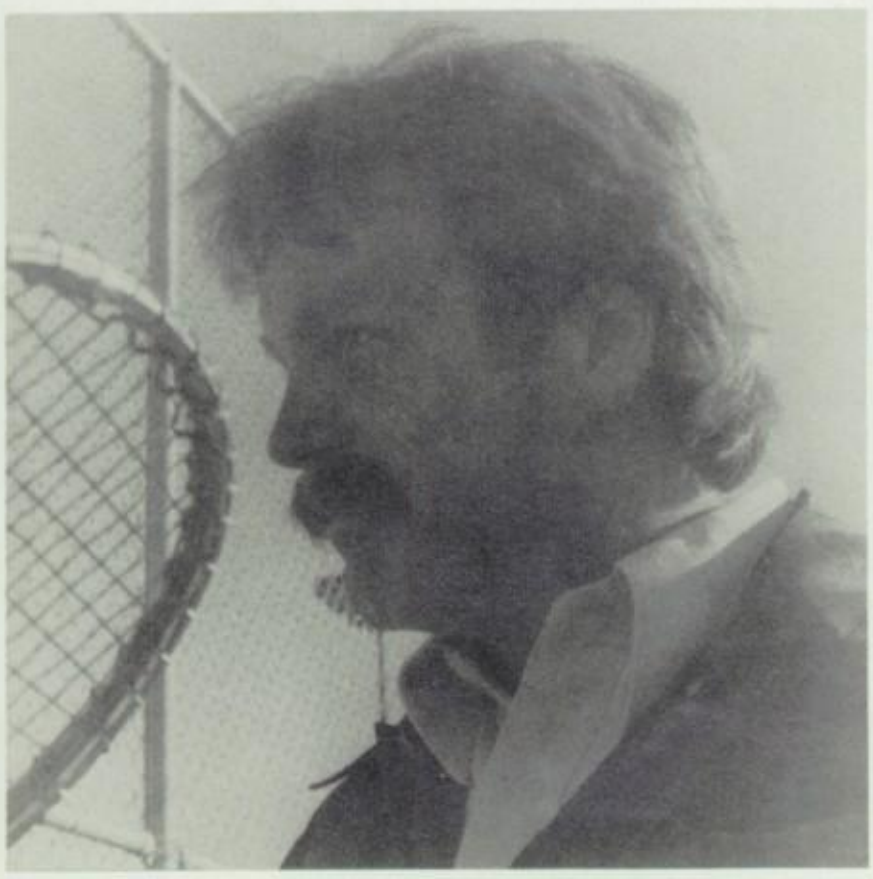






A CHAMPIONSHIP SEASON

The tennis team launched a brilliant season. They came in first place in the Cascade A League! Everyone merged their efforts into winning and kept each other's spirits alive. The goal to be number one was reached. The team came from third to first place and they plan to remain on top.



In the 3 years he spent with us Coach Gary Barrett greatly influenced the tennis team to become League Champs. He started with a bunch of girls who didn't know much about tennis, worked with them and improved each one's skills until they were at the best of their ability. He never quit or gave up, he encouraged the girls and kept their spirits going. The tennis team appreciated Mr. Barrett's endeavors.

This was a season of new faces and new ideas. The Tigers came through the non-league first half of the season with a 5-4 mark.

League play in the second half brought frustration to the Granite lair. With victory narrowly escaping them in a hard fought battle at Sultan, the Tigers found new confidence in themselves and a regenerated pride through their seniors. Granite humbled Tolt and nearly nipped Coupeville in the Wolves' own gym. But it was too little and a bit too late as, going down to the wire, the Tigers' league playoff spot slipped elusively through their grasp.

The J.V. boy's basketball team finished with a 4-9 record this season. However, during the course of the season the team accomplished many goals; 1). They became competitive as a team, 2). They developed basketball skills which will benefit them in years to come, and 3). They remained together as a unit and had fun during the season.

Since the majority of this years squad are sophomores and freshmen, they will be welcome additions to next year's varsity program.

The Granite Falls girls' basketball season concluded in the district tournament with a hard fought loss to Lynden Christian.

To advance to the district tourney, the Tigers were victorious in eight league contests out of ten. They finished league play at the League tournament by upsetting Langley 63-58. This win put them at #1 in the Cascade A League for the second year in a row.

The most memorable conquest of the year was the victory over Marysville-Pilchuck 43-39. M-P is a AAA school.

The Tiger general, Jack West, said about the team, "This group of girls were very competitive and had a winning attitude."

The JV squad had a year of work and improvement. Kathy Steele coached a large squad of players and all of them saw playing time in every game. Their most exciting victory was their first. It was over Coupeville 39-20. A mark of the team's improvement was their three straight victories at the end of the season.

The Granite Falls School District is one place where students can learn skills. The board, administrators, and teachers work with students and the community to provide learning experiences. Many graduates have shown the education they obtained in Granite was enough to assist them in their career development We have many reasons to be proud of our district.

Your Annual is like a time capsule. As you turn the pages you'll go back in time to the year 1978-79. Do you remember hearing this? "Gumby Squad, No heat in Bates room, Where's your hallpass, Bog People, We like mud, Curry . . . Don't, Heck of a deal, Is Winky coming?" I hope you have fond and warm memories. We had a great year, way back in 1978-79!

I plan to go onto college and into the field of alternative energy. Traveling to Europe and playing on the chess team were the high points of my high school career.

Brian Bosse

Upon graduation I plan to take two years of pre-chiropractic classes at E.C.C., after which I will attend a four year chiropractic college.

Chris Woolman

I feel that high school has played a major roll in my life, and I've enjoyed it. I hope to go onto college and become a success at whatever I achieve.

Molly Beckett

I plan to continue my art work. I may go to college. I'm going to make the best of life be it rich or poor. I hope it's rich. I will continue to be a philosopher and do what "I" want.

Margie Engstrom

I've enjoyed my four years in high school, being in sports and activities. I hope to do the same in college.

Clubs and Activities

A.S.B.

This years student council adopted a new concept never before used in our school. In the past, representatives from each class and the different clubs were the student council, however, this year the president of each class and club acted at the representatives themselves at council meetings. This mended former communication problems between representatives and presidents. During the middle of football season the popcorn machine went "kaputt" so to keep the revenue of popcorn sales rolling in the student council purchased a new one paying $150 for it. Overall the 1978-79 student council learned a lot about student government, leadership, and themselves, which will aid them in the future.

Honor Society

Striving to maintain a 3.0 average, the Honor Society is made up of the top students of the school. Mr. Martinec was the Honor Society advisor this year. New members were installed into the Honor Society in a short ceremony during the spring.

After the ceremony all Honor Society members went out to dinner together. Honor Society has been relatively uninvolved in outside activities this year.

Hi-Q

"The Hi-Q team was very enthusiastic about learning, having the answers, and being quick about giving them," said Ms. Docter.

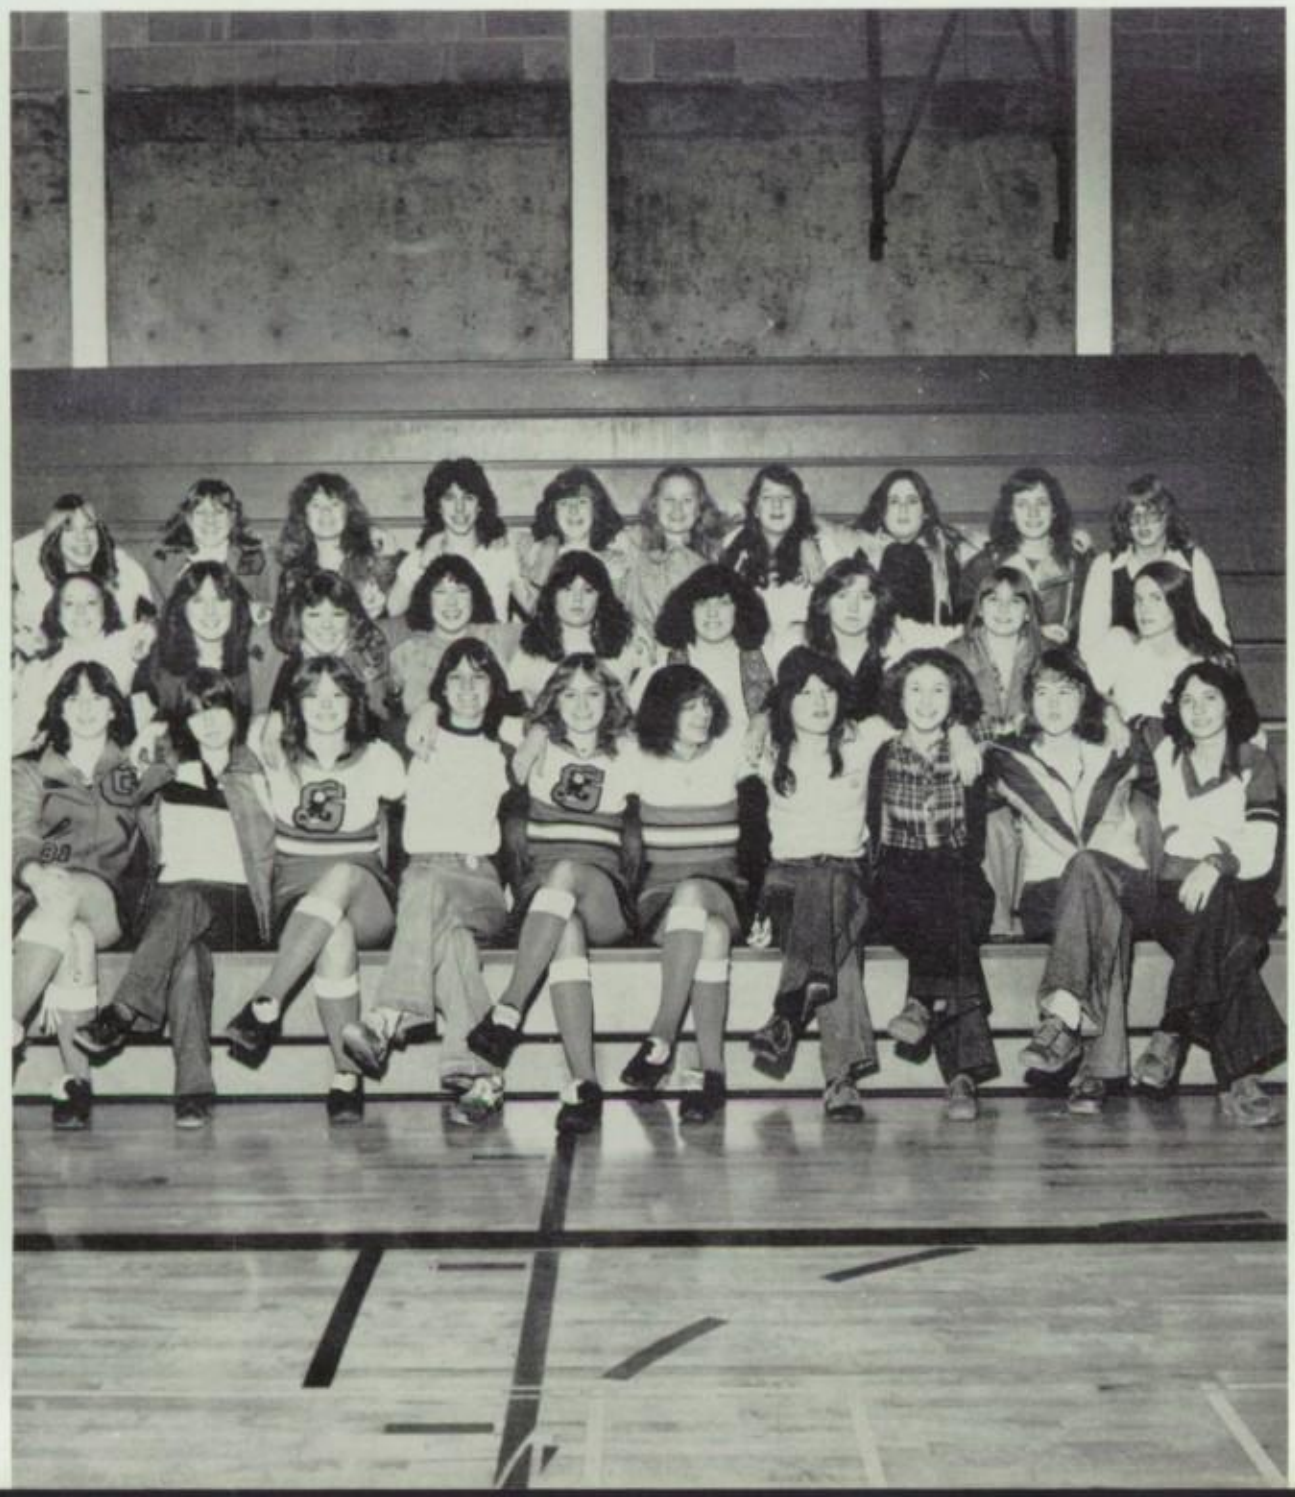
Letterettes



To become a Letterette the girls had to letter in a sport or cheerleading. This year's Letterettes included 29 girls.

Annual Staff

Co-editors Sue and Rene planning

Being on time is important!

Sue Briggs, Advisor Mr. Bates, Rose Kacoroski, Debbie Hannum, Terri Sykes, Carolyn Rochon, Rene Miller, Daryn Latham, Kim Russell, Rick Hjelle, Tammy Bulstrode, Cheryl Storrs, Dan Hill

Annual Staff met fifth period this year. As a class, much time was spent by each student on rough-up sheets, layouts, setting up photography assignments, writing copy, and preparing the final layouts. Debbie Hannum, Terri Sykes, Sue Briggs, and Cheryl Storrs attended a yearbook workshop in Bellingham to learn more yearbook techniques. Other activities included a Christmas dinner at El Toro's and a celebration of the completion of the annual at Seattle's Great American Food and Beverage Conglomeration.

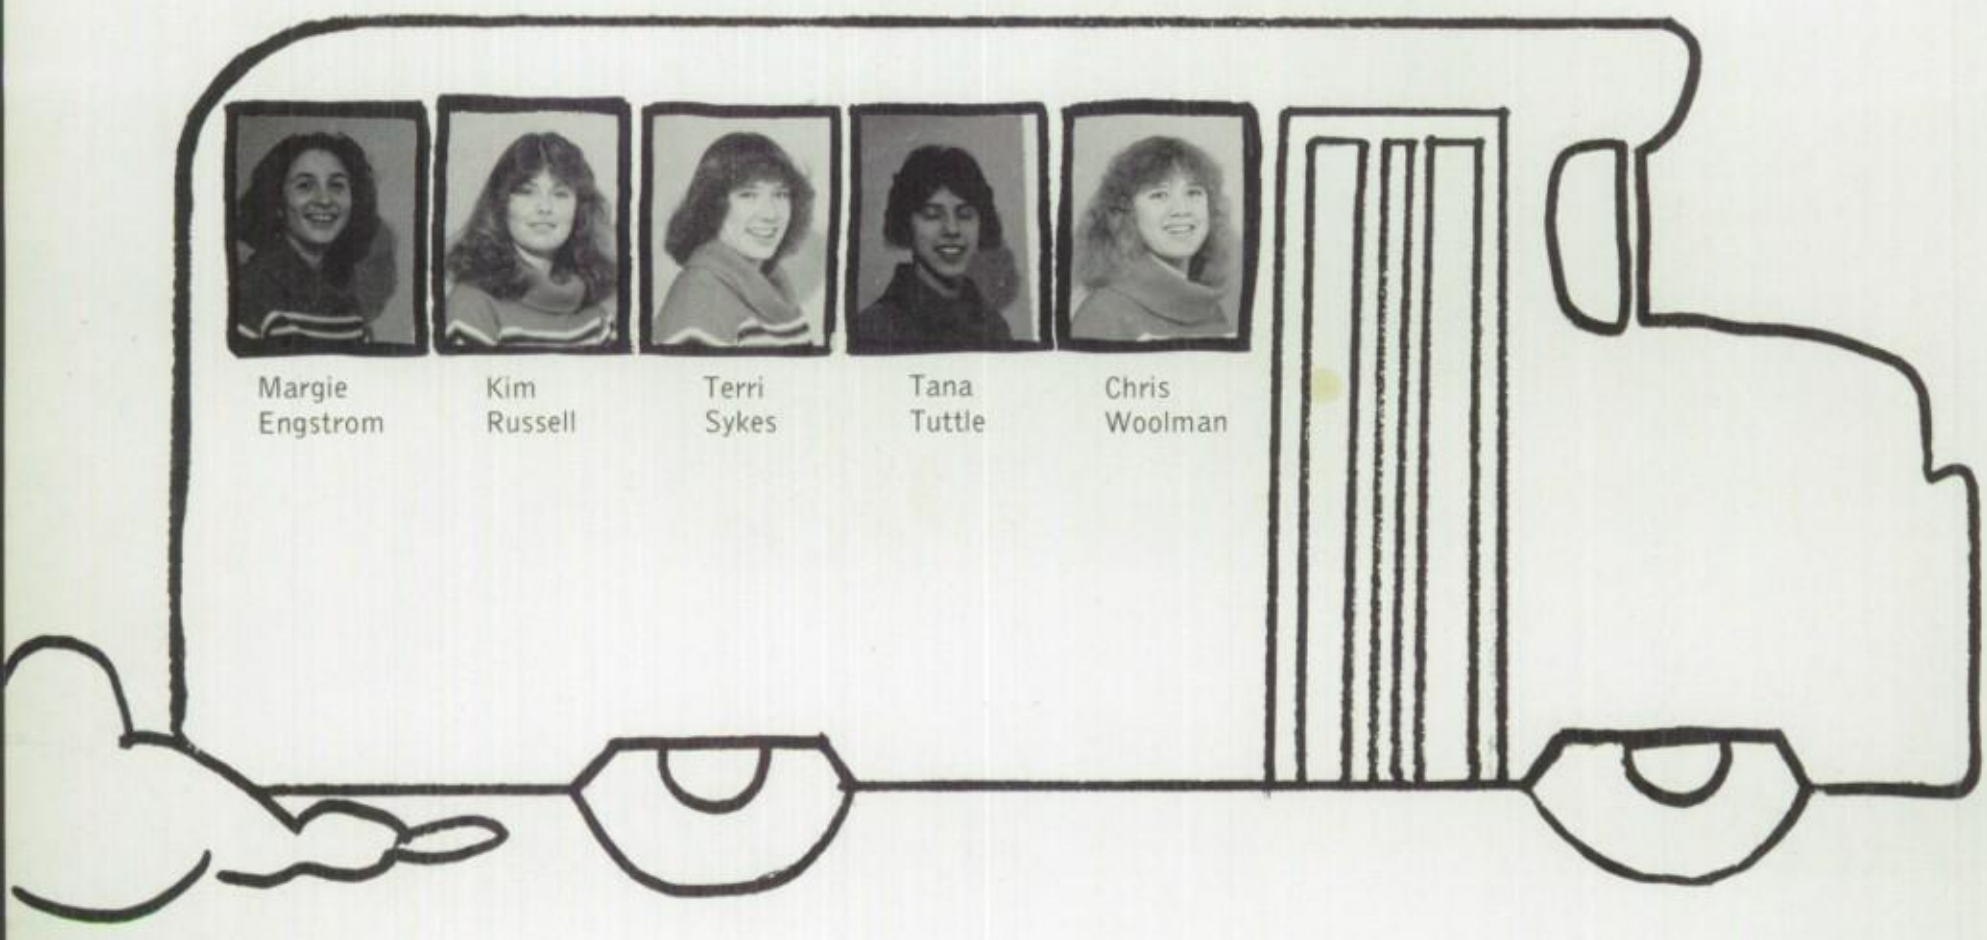
Art Club

Active was the motto of the Art Club. Painting windows and a turkey raffle earned money to attend King Tut, visit art museums, and have special breakfast.

Cheer

Football

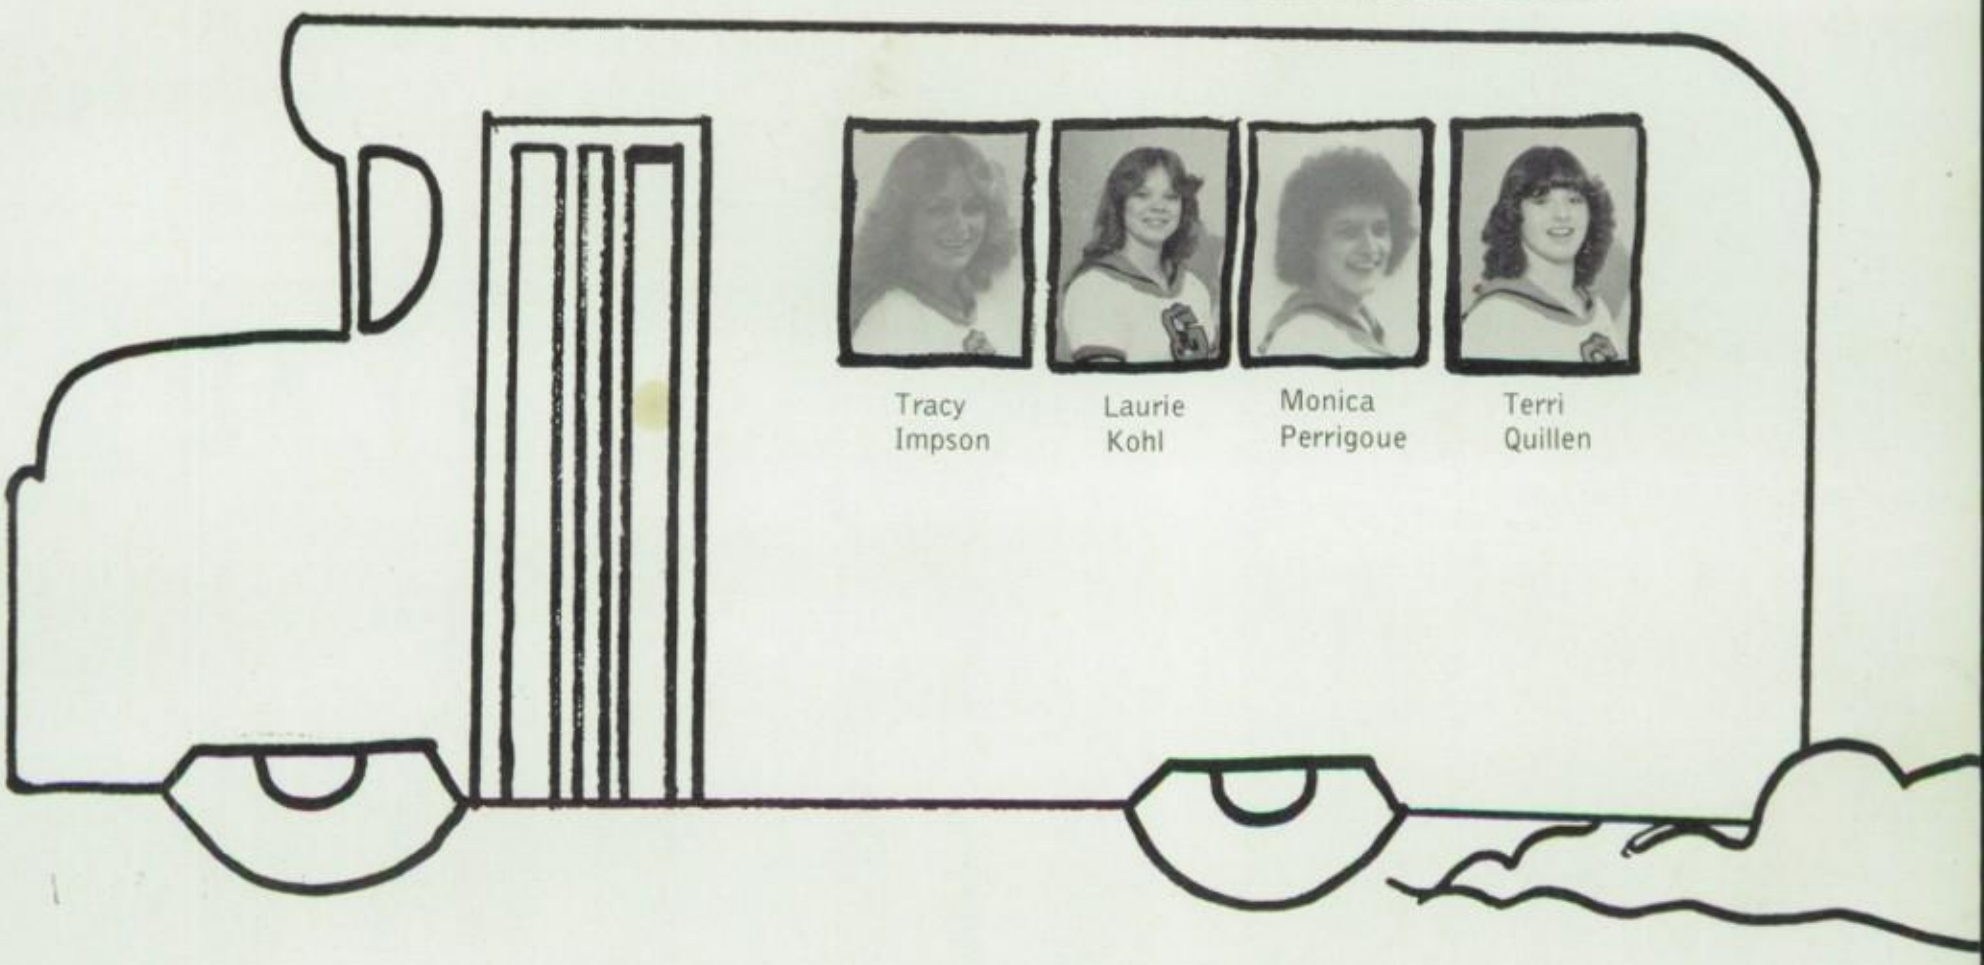


Margie Engstrom | Kim Russell | Terri Sykes | Tana Tuttle | Chris Woolman

From the opening day of school, through fall sports and winter sports the cheerleaders were always on the job building spirit. Some of the best pep assemblies of the past several years resulted from excellent cheerleader planning. The advisor was Miss Steele, who worked very hard on organizing and

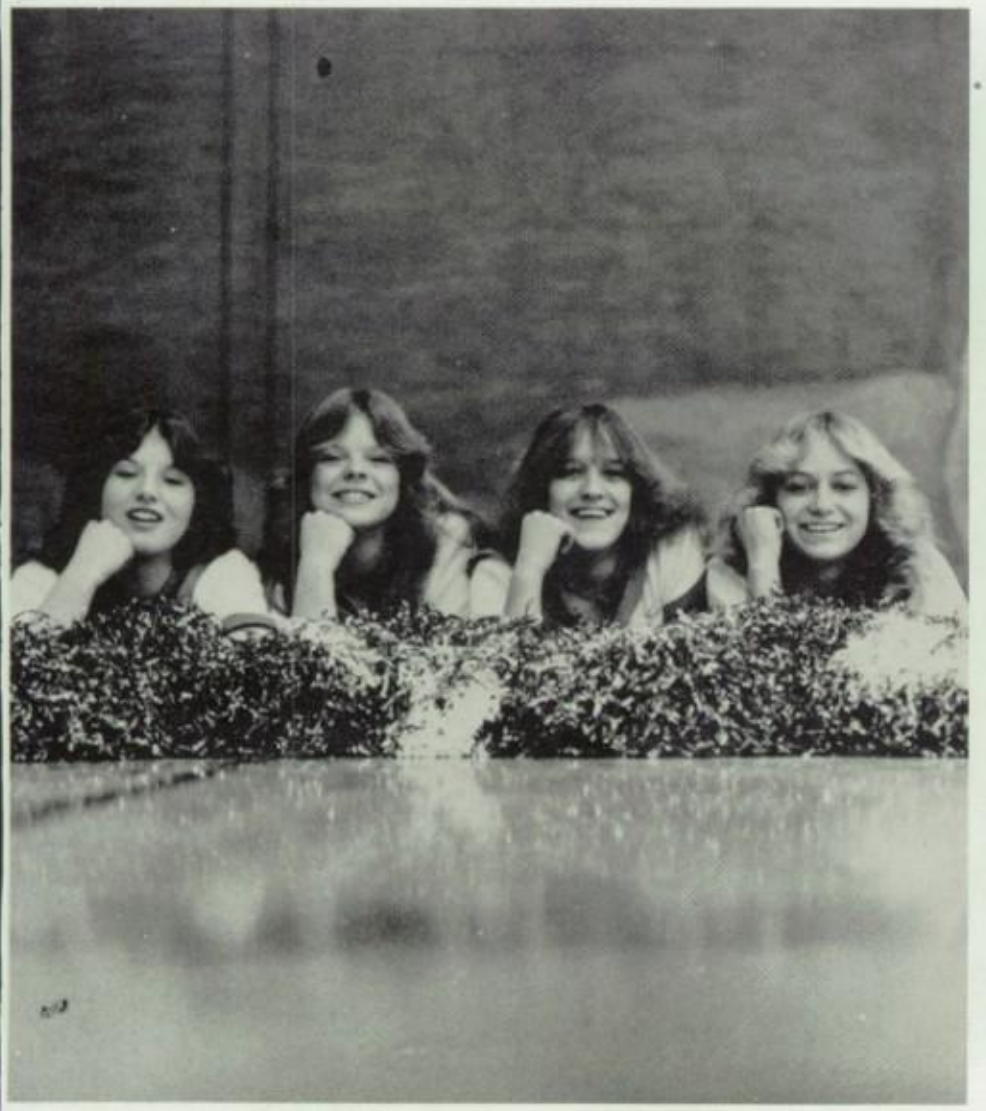
leaders

Basketball

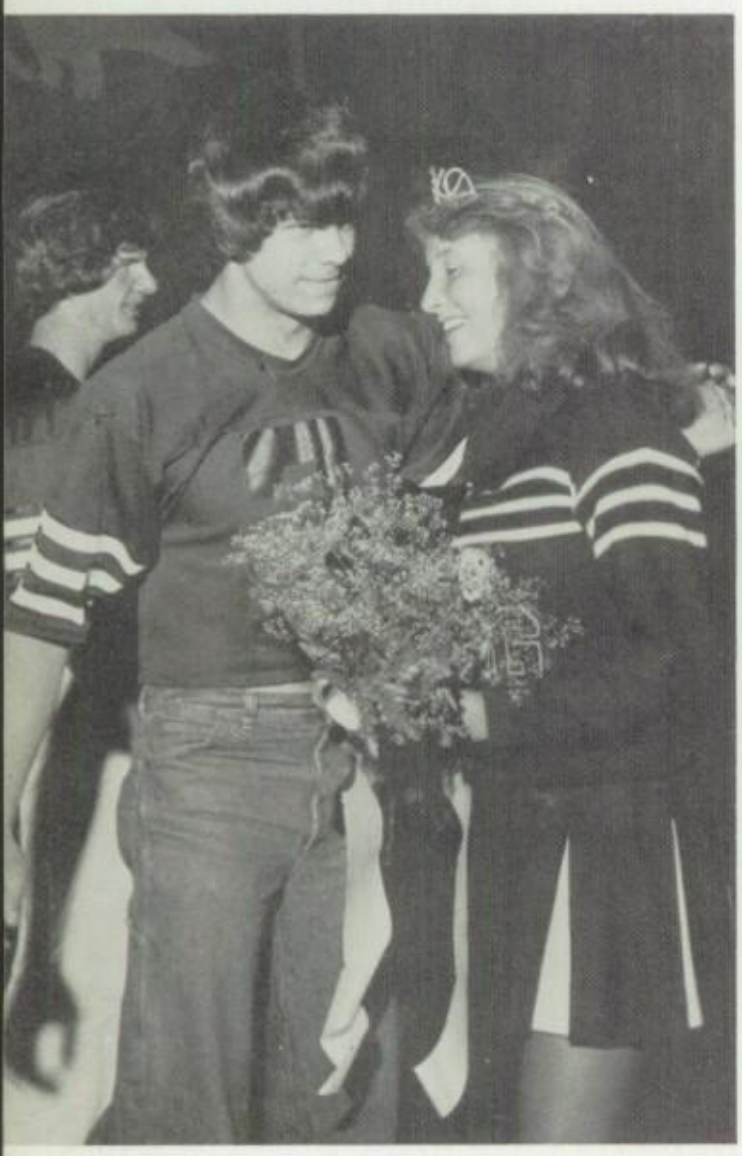


Tracy Impson | Laurie Kohl | Monica Perrigoue | Terri Quillen

getting everything set up for the cheerleaders, which is one main reason for the time and planning they put into the organization of cheering and the assemblies.

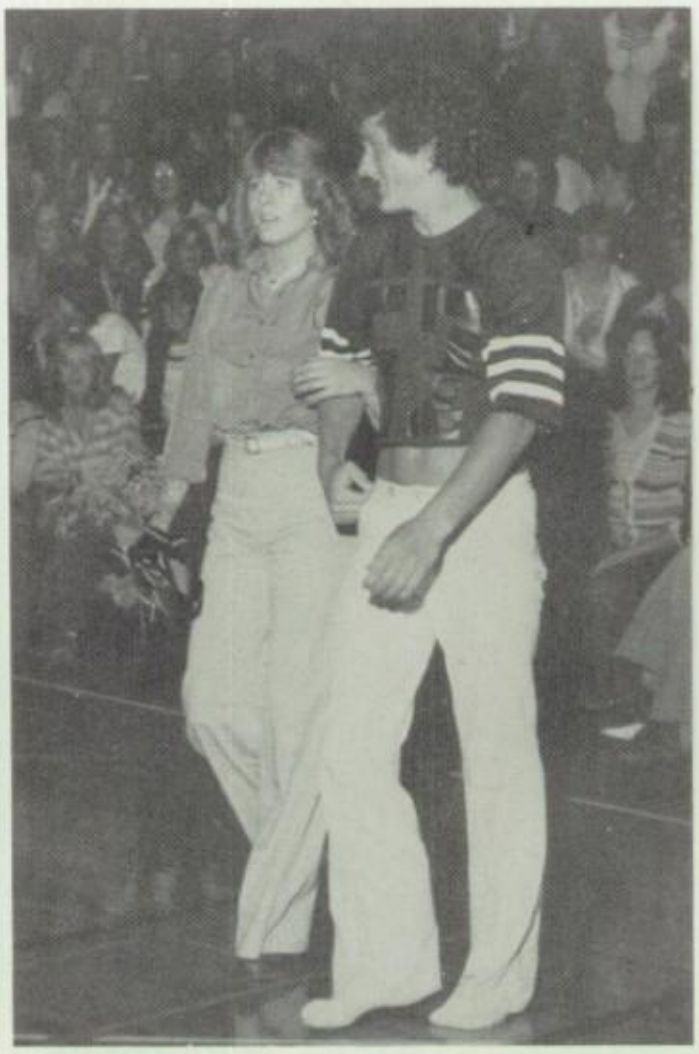


Homecoming Royalty



Haphazard Homecoming

Here was the beginning of a busy week! Homecoming week began the Monday before the dance with 50's day. Tuesday was Logger day and Twins were out and about the school on



Wednesday. Thursday followed with a good turn out for Toga day and spirit made its way out on Friday with the colors orange and black for Tiger day. 5:30 Friday the 20th, the pep rally began, but no sooner than it did, it stopped. People slid off the firetruck and piled onto cars, again the rally was off. The Senior float held Queen Marige Engstom and Princesses Cheryl Munn and Christine Woolman. Close behind came Junior Princess Laurie Kohl, Sophomore Terri Quillen and Freshman Jodi Russell. The crowd cheered as the Tigers passed the Concrete Lions for a 28-26 victory. Now time for the dance! The Homecoming theme for 1978 was "Two Tickets to Paradise". As the couples arrived at the Community Center they were greeted by the sounds of a bandless dance. "Storm", the intended group, had failed to show. Couples left for an evening meal with the promise that Saturday night there would be a dance. Again the band didn't show. So the dance proceeded with the help of a stereo system which wasn't so bad after all.

Homecoming Highlights

Alma Mater

Where the mighty mountain watches, O'er a land so vast and free,
Stands our honored Alma Mater, As we proudly look to thee.
With her name that's o so cherished, Ringing out our fame and grace,
O Granite Falls we love you! No one else can take your place.

May our memories last forever, And continue to increase,
Through the years uphold our glory, May our honor never cease.
Raise your voices loud and stately, From the tree tops to the sky,
O Granite Falls we love you! Now and in the by and by.

Trish
have a nice
summer stay
out of trouble
and stay away
from the boys
